## **SB 817 - HB 975**

March 11, 2003

**SUMMARY OF BILL:** Prohibits the Commission on Aging and Disability, and local area agencies on aging from providing direct services to individuals that are provided by local community agencies. Such services include, but are not limited to, case management, in-home care, employment services, home delivered meals, respite care, senior centers, adult day care, etc.

### **ESTIMATED FISCAL IMPACT:**

**Other Fiscal Impact - Potentially shifts \$3,325,000 in state, federal and local funding from local governments to private non-profit agencies**

Program services addressed in the bill are currently contracted by the Commission on Aging and Disability to local development districts and human resource agencies. The programs are funded by a combination of state, federal and local funding. Current contractors supply local funding which is used to match federal funding. Assumes that local funding will continue to be provided to insure the continuation of federal funding for these services even when provided by non-profit agencies.
